Your Wedding

Couple's Names: Sarah Beck and Mark Debenham

Venue: Culloden Estate & Spa

Wedding Date: 1st July 2017

Sarah (33) is a Solicitor from Carrickfergus and Mark (36) is a Communications Director from Bury St Edmunds.

The couple met at a pub in South West London at a mutual friend's birthday drinks. Sarah and Mark struck up a conversation and by the end of the night were holding hands.

Mark proposed in Brockwell Park close to where the couple lives in London. It was on a cold Saturday morning in November. They were sat on a bench in the park when Mark got down on one knee and presented Sarah with a beautiful engagement ring which he had helped to design along with jeweller. Sarah's immediate response was 'of course I will.'

Did the couple have a specific theme for their wedding day?

Sarah and Mark describe their wedding theme as elegant and classic with the colour scheme packed with bright whites and greens, and some blush to match the bridesmaids. The couple added a few personal touches as well. Mark's best man helped with the wedding invitations and stationery on the day, which were based on Belfast Lough and had a picture of the lough with the H&W cranes, Carrick Castle and one of my Grandfather's company's tugboats sat on the Lough. The couple also had a gin bar which, as a massive Arsenal fan, Mark named "Wenger's Gin Palace."

What was the highlight of the day for the Bride and Groom?

Sarah and Mark felt there were so many highlights that it was difficult to list just a few. One of Sarah's was walking down the aisle with her father, and then walking out of the Church with Mark to amazing music and cheers from all our friends and family, Sarah added that the speeches were another highlight of the day describing the speeches by her dad, her new father-in-law and the best man, as being perfect and so thoughtful. We The couple added described the overwhelming feeling of love in the room, and they didn't want the day to end.

What advice would Mark and Sarah give to other couples planning their wedding?

Try to relax and enjoy it as much as you can. It only happens once and as much as you can't wait for it to get here, it goes by in a flash so make the most of the run-up as well as the day itself.
