## Hydrafacial®

Hydrafacial is an advanced skin conditioning treatment that combines tailored ingredients along with a patented process that leaves your skin glowing.

### Six step process:

1. Lymphatic drainage removes toxins
  2. Cleanse to clear and freshen skin
  3. Mild peel to exfoliate
  4. Extraction to remove debris and blocked pores
  5. Hydration using specific blend of peptides
  6. LED for skin rejuvenation
