

SIGNATURE LED & NANO-DERMABRASION

The Light Salon signature treatment using enzymes supercharged by nano-dermabrasion to refine and polish, and advanced LED to renew at a cellular level.

For the face, a hydrogel mask delivers instant luminosity, with a massage to lift and sculpt. For the hair and scalp, an invigorating massage stimulates blood flow. No downtime, just radiant, event-ready skin, hair and hands, all in less than an hour.

£120 per person

Our 50 minute treatment includes:

- Advanced LED
- Exfoliating Nano-Dermabrasion
- Hydrating Mask
- Uplifting Massage
